INDEPENDENT EXAMINERS REPORT TO THE MANAGEMENT COMMITTEE of ONE NORBITON

I report on the accounts of the Company for the period ended 31 May 2015, which are set out on the previous pages.

Respective responsibilities of the Management Committee and examiner

The Management Committee are responsible for the preparation of the accounts.

It is my responsibility to:

- examine the accounts;
- state whether particular matters have come to my attention.

Basis of independent examiner's report

An examination includes a review of the accounting records kept by the Company and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as members of the Management Committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance; and
- to prepare accounts which accord with the accounting records

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Legal Status

This report has no status in Company Law and is only intended to provide reasonable assurance to you as Members of the Management Committee and to external stakeholders.
