Group A – Housing (Facilitated by Simon Oelman and Neville Rainford)

Housing Issues

- 1) Council as landlord
- 2) Rest of Norbiton Ward
- 3) Owner occupiers
- 4) Relative poverty

One Norbiton – Legitimacy

Social housing dominates – balance with private ownership

What will success look like for Housing in 1 year/5 years?

Question about numbers surveyed

How do we give people faith?

- Must listen to residents
- Engage Community
- Lot of 'hard to reach' in ward (many do not have PCs/Internet access)
- None of CWG have been elected
- Homelessness and Sofa surfers
- More affordable accommodation
- Fuel poverty

Recommendation: There should be a specific group for 'Housing'.
